Specialty Insurance Coverage

For Dance Schools and Studios

As a performing art, dance allows students both young and old to express their emotions through body movement. Participation can provide physical fitness, discipline and entertainment... but can also result in accident and injury. Many families have little or no medical insurance, and those who have coverage may be required to meet large deductibles before their insurance pays any benefits. In addition, studio owners run the risk of personal exposure to lawsuits through a participant's injury claim and liability insurance requirements mandated by lenders or landlords.

This Specialty Insurance Program for Dance Schools and Studios is designed to help eliminate the financial and emotional burden one can incur as a result of a lawsuit or participant injury claim. Accident and liability insurance coverage is offered as a standard product with optional coverages also available such as equipment, hired and non-owned automobiles and additional higher liability insurance limits.

The Accident Coverage

\$100,000.00 Benefit

(Pays the medical bills of an injured student or staff member)

Medical Expense Benefit

If the Covered Person incurs eligible expenses as the direct result of a covered injury and independent of all other causes, the Company will pay the charges incurred for such expense within 365 days, beginning on the date of accident. Payment will be made for eligible expenses in excess of the applicable \$100.00 Deductible Amount, not to exceed the Maximum Medical Benefit.

The first such expense must be incurred within 90 days after the date of the accident.

"Eligible expense" means charges for the following necessary treatment and service, not to exceed the usual and customary charges in the area where provided.

- Medical and surgical care by a physician
- Radiology (X-rays)
- Prescription drugs and medicines
- Dental treatment of sound natural teeth
- Hospital care and service in semiprivate accommodations, or as an outpatient

- Ambulance service from the scene of the accident to the nearest hospital
- Orthopedic appliances necessary to promote healing

Excess coverage: This plan does not cover treatment or service for which benefits are payable or service is available under any other insurance or medical service plan available to the Covered Person.

Accidental Death and Dismemberment Benefit

Principal Sum is \$100,000.00 with a \$500,000.00 aggregate. If a covered injury results in any of the losses specified below within 365 days of the date of the accident, the Company will pay the applicable amount:

- Full Principal Sum for loss of life, double dismemberment or quadriplegia
- Full Principal Sum for loss of sight, loss of hearing, or loss of speech that is irrecoverable by natural, surgical or artificial means.

- 50% of the Principal Sum for paraplegia or hemiplegia
- 50% of the Principal Sum as a monthly benefit for Coma
