Specialty Insurance Coverage

Accident & Liability For Marching Band, Drum & Bugle Corps, Color Guard and Percussion Organizations

Participation in band organizations provides the opportunity to bring music to life through competitive events but can also result in accident and injury. Many families have little or no medical insurance, and those who have coverage maybe required to meet large deductibles before their insurance pays any benefits. In addition, schools/school districts run the risk of personal exposure to lawsuits through a participant's injury claim.

This Specialty Insurance Program for band organizations is designated to help eliminate the financial and emotional burden one can incur as a result of a lawsuit or participant injury claims. Accident and liability insurance coverage is offered as a standard product with optional coverages also available such as equipment, hired and non-owned automobiles and additional higher liability insurance limits.

The Accident Coverage

\$25,000.00 Benefit

(Pays the medical bills of an injured participant or staff member.)

Medical Expense Benefit

If the Covered Person incurs eligible expenses as the direct result of a covered injury and independent of all other causes, the Company will pay the charges incurred for such expense within 365 days, beginning on the date of accident. Payment will be made for eligible expenses in excess of the applicable \$100.00 Deductible Amount, not to exceed the Maximum Medical Benefit.

The first such expense must be incurred within 90 days after the date of the accident.

“Eligible expense” means charges for the following necessary treatment and service, not to exceed the usual and customary charges in the area where provided.

- Medical and surgical care by a physician
- Radiology (X-rays)
- Prescription drugs and medicines
- Dental treatment of sound natural teeth
- Hospital care and service in semiprivate accommodations, or as an outpatient
- Ambulance service from the scene of the accident to the nearest hospital

- Orthopedic appliances necessary to promote healing

Excess coverage: This plan does not cover treatment or service for which benefits are payable or service is available under any other insurance or medical service plan available to the Covered Person.

Accidental Death and Dismemberment Benefit

Benefit amount is \$5,000.00. If a covered injury results in any of the losses specified below within 365 days after the date of the accident, the Company will pay the applicable amount:

- Full Principal Sum for loss of life
- Full Principal Sum for double dismemberment
- Full Principal Sum for loss of sight of both eyes
- 50% of the Principal Sum for loss of one hand, one foot, or sight of one eye
- 25% of the Principal Sum for loss of index finger and thumb of same hand

Loss of hand or foot means complete severance above the wrist or ankle joint.

Loss of eye means the total, permanent loss of sight.

We will not pay more than the Principal Sum for this Benefit for all losses due to the same accident.
