Specialty Insurance Coverage

Accident & Liability For Youth Camps, Clinics and Conferences

Ice Hockey Lacrosse Rugby

In the past, insurance coverage for Ice Hockey, Lacrosse, and Rugby Camps was either too costly, too limited or not available at all. Schools, coaches and directors were either forced to pay extremely high insurance premiums, or to run camps and clinics without the proper insurance protection, therefore running the risk of personal exposure to lawsuits or a participants injury claim.

However, this specialty insurance program has recently been developed to cover the inherent risks involved for the schools, park districts, coaches, directors and participants of today's conferences, sports camps and clinics. Accident and liability insurance coverage is offered as a standard product with optional coverage also available such as equipment, hired and non-owned automobile, and additional higher liability insurance limits.

The Accident Coverage

\$10,000.00 Benefit

(Pays the medical bills of an injured camper or staff member)

Medical Expense Benefit

If the Covered Person incurs eligible expenses as the direct result of a covered injury and independent of all other causes, the Company will pay the charges incurred for such expense within 365 days, beginning on the date of accident. Payment will be made for eligible expenses in excess of the applicable \$100.00 Deductible Amount, not to exceed the Maximum Medical Benefit.

The first such expense must be incurred within 90 days after the date of the accident.

"Eligible expense" means charges for the following necessary treatment and service, not to exceed the usual and customary charges in the area where provided.

- Medical and surgical care by a physician
- Radiology (X-rays)
- Prescription drugs and medicines
- Dental treatment of sound natural teeth
- Hospital care and service in semiprivate accommodations, or as an outpatient

- Ambulance service from the scene of the accident to the nearest hospital
- Orthopedic appliances necessary to promote healing

Excess coverage: This plan does not cover treatment or service for which benefits are payable or service is available under any other insurance or medical service plan available to the Covered Person.

Accidental Death and Dismemberment Benefit

Benefit amount is \$2,500.00. If a covered injury results in any of the losses specified below within 365 days after the date of the accident, the Company will pay the applicable amount:

- Full Principal Sum for loss of life or double dismemberment
- Full Principal Sum for loss of sight, loss of hearing, or loss of speech that is irrecoverable by natural, surgical or artificial means.
- 50% of the Principal Sum for loss of one arm, one leg, one hand, or one foot. Loss of hand or foot means complete severance above the wrist or ankle joint.
- 25% of the Principal Sum for loss of index finger and thumb of same hand or four fingers of the same hand

We will not pay more than the Principal Sum for this Benefit for all losses due to the same accident.

Exclusions and Limitations

This plan does not cover any loss to or resulting from:

- Suicide, self-destruction, attempted self-destruction or intentional selfinflicted injury while sane or insane.
- War or any act of war, declared or undeclared.
- Sickness, disease or any bacterial infection, except one that results from an accidental cut or wound or pyogenic infections that result from accidental ingestion of contaminated substances.
- Voluntarily taking any drug or narcotic unless the drug or narcotic is prescribed by a Physician.
- Covered Expenses for which the Covered Person would not be responsible in the absence of this Policy.
- Injuries paid under Workers'
 Compensation, Employer's liability
 laws or similar occupational benefits
 or while engaging in activity for
 monetary gain from sources other than
 the Policyholder.
- Injury caused by, contributed to or resulting from the Covered Person's use of alcohol, illegal drugs or medicines that are not taken in the dosage or for the purpose as prescribed by the Covered Person's Physician.
